Peonia Sofa

By Pianca

Description

The Peonia Sofa designed by Cristina Celestino for Pianca unfurls like a flower in Spring and it is indeed nature, with her perfect geometries, that provides the inspiration for Peonia's creative genesis. Sculptural and inviting, it captures the eternal becoming of every living thing in its forms; the tension to a constant and inescapable perpetual movement. The sofa shell is composed of different surfaces, arranged in an evocative crescendo that recalls the petals of a corolla design that becomes an elegantly regal seat. The modular geometric forms allow infinite combinations to be created, experimenting with various levels and heights, solids and voids.
