K-Corum Track Head

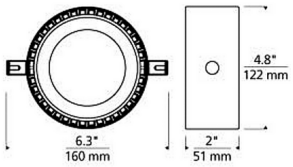

By Visual Comfort Architectural

Description

The K-Corum Track Head combines chic design with high performance. Designed for a 5.5 inch Kable Lite separation, it provides a wide spread of light onto surrounding surfaces. The thin metal casing and exposed heat sink make for a modern industrial look while providing a 360 degree light output ideal for direct or indirect illumination. This K-Corum is ideal for residential and commercial lighting applications such as retail stores, libraries and galleries. Dimmable with TRIAC and ELV dimmers. Note: Compatible with the VIsual Comfort Kable Lite system only, sold separately.

Shown in satin nickel
