Trellis Power Bridge

By Visual Comfort Modern

Description

The Trellis Power Bridge is compatible with Visual Comfort Modern Trellis collection pendants, allowing a cable running along a ceiling to be split to add a pendant at the junction. The bridge can be used to expand the scale of your installation. This is the bridge only; the cables and lights pictured are not included. The Natural Brass is a living finish that will patina and warm over time, enhancing its richness. If the patina becomes uneven or spotty, a brass cleaner can restore the finish.
