Duplex Single Wall Light

By WAC Lighting

Description

The Duplex Wall Light features a sleek silhouette and a variety of features perfectly suited for use as a reading lamp next to a bed. The dome-shaped shade, reminiscent of mid-century modern designs, can be rotated 330 degrees and angled up to 90 degrees to direct light from its integrated LED. A convenient on/off switch is located on the backplate, as well as a USB charging port for phones or other devices. LED driver integrated within backplate.
