# Undercabinet Mini Puck Light Kit / 6-Pack Plug-In

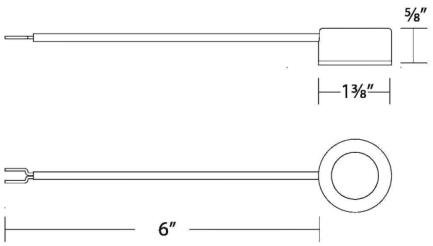

By WAC Lighting

## Description

The Undercabinet Mini Puck Light Kit includes the essentials of an undercabinet lighting system, with six lights and a plug-in 24V power supply and multiple terminal block accessory to power them. Despite their small size, the puck lights will provide optimal lighting in kitchens, bathrooms, or closets. The puck may be surface mounted or recessed within cabinetry for a clean appearance. The integrated LED light source is set behind a frosted acrylic diffuser to provide even illumination and reduce glare. Includes:6 HR-LED10-30 puck lightsOne MTB-1 multi terminal blockOne EN-2420D-P plug-in power supply with open splice

Shown in black / frosted
