Ice Cube Pendant By WAC Lighting

Description

The Ice Cube Pendant is the perfect addition to any interior in need of a glamorous touch. Faceted like a hand-cut jewel, Ice Cube contains an integrated LED which is refracted off of the optic crystal for a stunning display of light. Sleek electrified cable eliminates the need for an unsightly power cord, and the cable length can be easily adjusted via push pin connectors on the canopy. Dimmable 100% to 10% with ELV dimmers.
