Park Avenue Linear Pendant

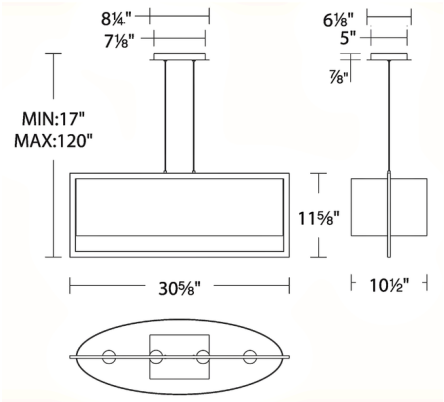

By WAC Lighting

Description

The Park Avenue Linear Pendant features an oval fabric shade set within a rectangular frame. The integrated LED produces a warm glow that complements the pendants sleek, orderly lines with a serene presence. Ultra-thin electrified cable eliminates the need for an unsightly power cord, and the cable length can be easily adjusted via push pin connecters on the canopy. Dimmable with ELV (100% to 5%) and TRIAC (100% to 10%) dimmers.

Shown in black / off white
