FQ 2IN 25W Round Adjustable Trimless Downlight By WAC Lighting

Description

The FQ 2IN 25W Round Adjustable Trimless Downlight is designed for use with FQ 2IN Series of recessed housings by WAC Lighting. This high performance LED luminaire will provide quality lighting in both commercial and residential settings. The trim ships with a 25 degree reflector pre-installed, but also includes field-changeable 40 and 55 degree reflectors for a wider beam angle. The luminaire can be tilted up to 35 degrees and rotated 360 degrees to aim the light precisely where it is needed. Accommodates 0.5 to 1 inch ceiling thickness. Dimmable 100% to 1% with ELV, TRIAC, and 0-10V dimmers. Note: A complete fixture requires the trim and a housing, sold separately.
