WAC Lighting

DESCRIPTION

The FQ 2IN 15W Shallow Square Trimless Downlight is designed for use with FQ 2IN Series of recessed housings by WAC Lighting. This high performance LED luminaire will provide quality lighting in both commercial and residential settings. The trim ships with a 25 degree reflector pre-installed, but also includes field-changeable 40 and 55 degree reflectors for a wider beam angle. A 30 degree shielding angle provides superior glare control. Accommodates 0.5 to 1 inch ceiling thickness. Dimmable 100% to 1% with ELV, TRIAC, and 0-10V dimmers. Note: The Warm Dim luminaire is not available with 25 degree beam spread. It is shipped with a 40 degree reflector pre-installed and includes a field-changeable 50 degree reflector. A complete fixture requires the trim and a housing, sold separately.
