Parallax Cluster Wall Sconce By WAC Lighting

Description

The Parallax Cluster Wall Sconce will create visual interest with its dramatic design. The fixture is composed of criss-crossing linear pieces, each housing an integrated LED behind a polycarbonate diffuser. This complex arrangement creates a striking, sculptural expression perfect for any modern interior. May be horizontally or vertically. Dimmable with TRIAC (100% to 10%) and ELV (100% to 5%) dimming. Note: Fixture will be preset at selected color temperature but can be toggled between 2700K, 3000K, or 3500K prior to installation via a CCT-select switch in the canopy.
