Vue Outdoor Wall Light By WAC Lighting

Description

The Vue Outdoor Wall Light is a compact, minimalist fixture that will provide both up and downlighting in any outdoor space. The square, die cast aluminum backplate houses the integrated LED, which shines outward through two small circular openings. The color temperature can be set to 3000K, 3500K, or 4000K prior to installation via a CCT select switch located within the canopy. Dimmable 100% to 10% with ELV dimmers.
