Alternate Outdoor Wall Light

By WAC Lighting

Description

Put a new slant on your outdoor space's decor with the Alternate Outdoor Wall Light. With a unique, angular silhouette, Alternate will make a bold statement wherever it is placed. Light from the integrated LED is directed up and downward to create dramatic lighting. Must be mounted vertically. The diamond-shaped backplate can cover a 4 inch round or smaller junction box. Dimmable 100% to 10% with ELV dimmers. Note: Fixture will be preset at selected color temperature but can be toggled between 3000K, 3500K, or 4000K prior to installation via a CCT-select switch in the canopy.
