Glacier Pendant

By Z-Lite

Description

Gleaming finished metal offers an incomparable reflective quality to clear glass, adding a striking look to this exquisite Glacier Pendant. The Glacier pendant delivers glam individual clear textured glass panels that emulate melting ice, an extraordinary effect with dramatic impact in a foyer, dining room, or nook. Modern finished steel is placed as a crown frame, adding a contrast in both style and finish and embellishing the optical delight accomplished when the fixture is illuminated.

Shown in matte black / clear
