## Glacier Chandelier By Z-Lite

## Description

An inspired blend of old and new plays out in the artful impact of the extraordinary Glacier Chandelier. The Glacier chandelier features clear textured glass panels that emulate melting ice, an incomparable effect with dramatic impact in a foyer, dining room, or main living area. Modern finished steel is placed as a crown frame, adding a consistency in palette and motif and embellishing with a blend of glam and industrial ambiance.

Shown in matte black / clear
