Viviana Chandelier

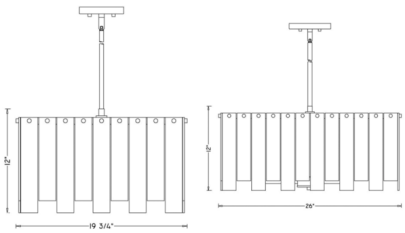

By Z-Lite

Description

Prominent Art Deco influence pads the chic style of a fixture with an extraordinary aesthetic. Choose this decadent Viviana Chandelier to offer both easy palette elements and a chic look with alabaster-like strips alternating in length and arranged around a rectangular steel frame. Whimsical rivot detailing adds an industrial feel to this chandelier that goes with the flow as it complements a gritty rendition of toned-down glam in a kitchen or entryway.
