Blossom Modern Branch Chandelier By Hammerton Studio

Description

The Blossom Modern Branch Chandelier features blossoms of LED lit hand blown glass that are meticulously crafted. The fixture is a whimsical celebration of organic aesthetic that exudes casual sophistication. The glass blossoms take the place of a traditional bulb and unfolds with striking illumination. The finished look is relaxed, soft and unique. Each glass shade is a one of a kind artisan creation. Note: Due to the weight of the 64 inch version, additional ceiling support is required. Fixture must mount directly to the building structure.
