## Arden Chandelier

By Visual Comfort Studio

### Description

Inspired by the Art Deco style of 1920s Paris, the Arden Chandelier captures the period's fascination with geometric forms. A stunning addition to an entryway, great room, or above a large dining table, this chandelier features rounds of faceted glass pieces hanging in architectural tiers from a solid metal frame. Note: The 32.875 inch diameter chandelier requires a junction box rated for fixtures weighing over 50 pounds.
