Monroe Wall Sconce By Visual Comfort Studio

Description

Drawing influence from Kate Spade enameled accessories and the colorful atomic era design of the 1950s, the Monroe Wall Sconce exhibits clean lines with a painted stem and contrasting metal backplate. A white linen shade complements the frame and softens the light. With its chic finishes in neutral tones or fun pops of color, the Monroe delivers a refined modern aesthetic for your bedroom, living room, or hallway.

Shown in burnished brass / gloss black / white linen
