Edge Pendant

By AFX

Description

The Edge Round Pendant is a stylish contemporary monopoint LED disc light that features a refined minimalist aesthetic that enlivens a variety of spaces in the home. This light is built using a monochrome aluminum frame that houses a wide white acrylic diffuser. Features a 3-in-1 color temperature system which allows adjustment between 3000K, 4000K, and 5000K with a switch on back of the fixture to create ambiance in living rooms, kitchens, and more. Expandable up to 9 feet in length. Note: 120/277V: 0-10V dimming. 120V: TRIAC or electronic low voltage (ELV).

Shown in black / white
