## Button Up Coat Hook

By Bent Hansen

### Description

The Button Up Coat Hook adds a graphic look to your entrance hall or conference room. Combine with several hooks in a row or arrange them randomly to make a pattern on the wall. This hook is both practical and functional, but also aesthetically beautiful as it is upholstered in soft leather. The Button-Up hook is produced in the same way as upholstered buttons, and their small aluminum spacers make them easy to mount on the wall. Button-Up can also be mounted on the hallstand Hang-Up.

Shown in aluminum / cognac
