Opera+ Side Chair Set of 2

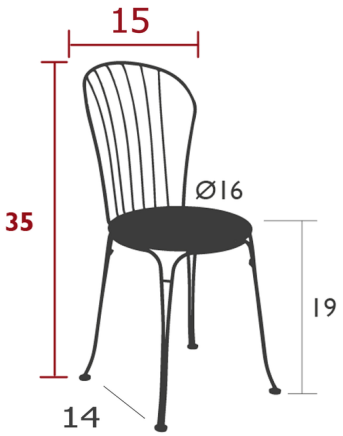

By Fermob

Description

The Opera Chair brings a sturdy, timeless look that's easy to live with. This set of 2 chairs features the backrest shaped from a single (yes, just one!) steel wire. And they offer plenty of practical plus points, too: sturdy seats (solid steel wire, steel sheet), with stable, flared, durable legs (bases reinforced with two weld seams, anti-corrosion treatment), and stacking design. Stackable up to 10 chairs. Not recommended for use near salt air conditions and chlorinated pools.
