Surprising Teak Chair Set of 2

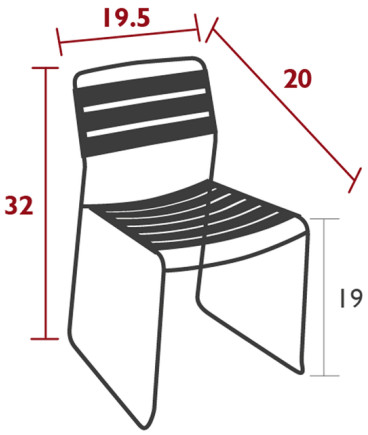

By Fermob

Description

The Surprising Teak Chair Set of 2 combines the sturdy construction of steel and the elegance of teak to add a soft, romantic flair to this modern design. Like other pieces in the Surprising Collection, this chair fits seamlessly into transitional spaces, like patios, screened-in porches, or even a more urban terrace. Stackable up to 7 chairs. Not recommended for use near salt air conditions and chlorinated pools.
