Inoui Bluetooth Portable Lighted Stool/Table By Fermob

Description

The INOUI Portable Lighted Stool/Table is an innovative illustration of Fermob's excellence in outdoor space design and decoration. It can be used as a low table, stool, light, pedestal or decorative object. It is mobile and wireless operated, to be recharged on a base with included cable. It has a practical aluminum handle that also hides the switch. This unique piece offers light intensity settings (neutral white 100% and 50% and cool white 100% and 50%) and 2 light temperatures (warm white 3000K and cool white 6000K). Controlled with switch or remotely using the integrated on-board Bluetooth system.
