Orb Slim Surface Mount By In Common With

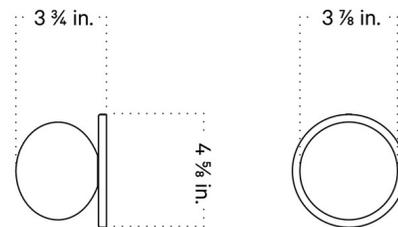

Description

The Orb 4 Slim Surface Mount is a minimalist and versatile sconce light fixture featuring a spherical, hand-blown glass diffuser mounted on a short metal backplate. The spherical glass diffuser casts a soft and diffused light, making it ideal for both ambient and task lighting. The slim backplate positions the diffuser closer to the wall, creating a sleek and modern look. Can be mounted on the wall or the ceiling.

Shown in reed green / white
