Aero Monorail Head By Visual Comfort Architectural

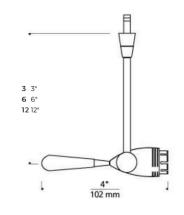

Description

The Aero Monorail Head is a sleek, streamlined head which rotates 360 degrees and pivots 260 degrees to direct the beam. Available in three stem lengths. The removable handle extension on the back serves as a functional addition assisting with pivots and rotations. Shade accessories allow you to create the ideal custom element. Compatible for use with 1-circuit Monorail track system. Includes Monorail connector. LED canopy compatible with both halogen and LED lamp options. Dimmer type dependent on system transformer (low voltage magnetic or electronic). Note: A shade accessory is required, and sold separately.

Shown in satin nickel
