Luce Orizzontale Linear Pendant By FLOS

Description

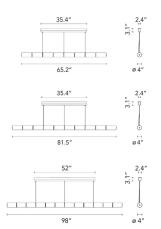

Experience a perfect blend of poetry and function with the Flos Luce Orizzontale Linear Pendant, a testament to remarkable craftsmanship and sculptural form. This minimal yet striking modular structure is composed of exquisite cast glass cylinders, each uniquely created by pouring molten glass into a mold. During this artisanal casting process, each piece develops distinct markings, giving it an authentic, one-of-a-kind quality and an intriguing texture.LED light shines brilliantly out through these handcrafted glass elements, producing a captivating effect of light reflection and refraction that mesmerizes the eye and bathes the space in an intriguing glow. The Luce Orizzontale is available in three versatile lengthsa concise 65.2 inches (model S1), a more expansive 81.5 inches (S2), and a grand 98 inches (S3)allowing for tailored installation in various spaces. Please note, due to its substantial weight, this fixture requires a junction box rated for fixtures weighing over 50 pounds, ensuring secure and proper installation. It's an ideal choice for creating a powerful statement of contemporary elegance and artisanal quality in dining rooms, living areas, or large open spaces.
