Divina Pendant

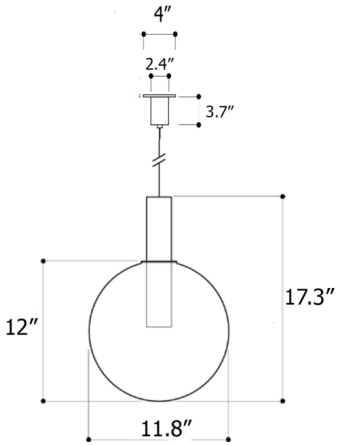

By Bomma

Description

The Divina Pendant features a geometric silhouette composed of a cylindrical downlight intersected by a crystal sphere. Although Divina is minimal and modern in form, its shade is mouth-blown by skilled craftsmen in Bohemia's traditional style. This artisan process creates small imperfections and variations that cast an ethereal glow as light passes through the glass. Dimmable with TRIAC dimmers.Note: Includes white finished mounting plate to cover standard 4 inch US junction box.

Shown in brushed gold / red orange
