Buoy Double Cone Pendant By Bomma

Description

When creating the Buoy Double Pendant, designer Vaclav Mlynar was inspired by the floating buoys that guide sailors. The mouth-blown crystal shade is intersected by an LED light rod which casts light outward from the pendant. Although it possesses a simple, modern silhouette, Buoy is crafted by skilled artisans using traditional methods to pay homage to Bohemia's rich glassblowing heritage. Includes round ceiling canopy in black finish. Dimmable with TRIAC, ELV and 0-10V dimming.
