Buoy Double Cone Pendant By Bomma

Description

When creating the Buoy Double Pendant, designer Vaclav Mlynar was inspired by the floating buoys that guide sailors. The mouth-blown crystal shade is intersected by an LED light rod which casts light outward from the pendant. Although it possesses a simple, modern silhouette, Buoy is crafted by skilled artisans using traditional methods to pay homage to Bohemia's rich glassblowing heritage. Dimmable with TRIAC, ELV and 0-10V dimming.
