Buddah Vase

By Global Views

Description

The Buddah Vase brings a global beauty to your interior space. Crafted of Portuguese slip-cast ceramic, crackle glaze effect occurs when the glaze shrinks more than the vessel during the cooling stage, causing the tension between the glaze and the vessel causes the finish to crack. Each piece is one-of-a-kind. Group together to create your own unique look. Leave empty or fill with your favorite dried florals. Product is not watertight.
