Bregman Ceiling Light

By Hudson Valley Lighting

Description

Slender, disc-like cloud glass shades are capped in Aged Brass and clustered around the center at varying heights for a slim, modern silhouette that feels both on trend and slightly vintage in the Bregman Ceiling Light. The graceful, sweeping arms add elegance and soften the shade's straight stems. Make a bold statement close to the ceiling or draw all eyes to the centerpiece of the room. Dimmable with electronic low voltage (ELV) or Triac dimming.

Shown in aged brass / etched glass
