Bregman Convertible Chandelier

By Hudson Valley Lighting

Description

Slender, disc-like cloud glass shades are capped in Aged Brass and clustered around the center at varying heights for a slim, modern silhouette that feels both on trend and slightly vintage in the Bregman Chandelier. The graceful, sweeping arms add elegance and soften the shade's straight stems. Make a bold statement close to the ceiling or draw all eyes to the centerpiece of the room. Convertible from chandelier to semi flush ceiling light. Dimmable with electronic low voltage (ELV) or Triac dimming.

Shown in aged brass / etched glass
