Brookfield Lantern Pendant

By Hudson Valley Lighting

Description

Playing with shape, angles, and negative space, the Brookfield Pendant takes a classic lantern form and gives it a fresh look with a vintage feel. Sharp lines combine to create a gorgeous diamond-shaped framework with clear glass panels. The delicate chainwork enhances the design's jewelry-like vibe. Whether with a single exposed bulb in the center or a five-light candelabra, this unique pendant makes a stunning statement.

Shown in vintage gold leaf / clear
