## Niva Convertible Wall Sconce By Kichler

## Description

The Niva Convertible Wall Sconce is as versatile as it is stylish. It comes as a wall mount with hardware to convert to a semi flush ceiling light, and it can be converted to a pendant using downrods sold separately. Its sleek metal design with domed shade complements many design styles from modern to industrial. Light shines through a satin etched cased opal glass diffuser, perfect for illuminating an entryway, kitchen, or hallway. Note: The downrods pictured are not included and are sold separately.

Shown in champagne bronze / opal
