Dew Pendant By LedsC4

Description

The Dew Pendant expresses the beauty of simplicity in its organic linear configuration. Designed with attention towards both its technical and poetic aspects, this piece is constructed out of oval light points set along the length at varying intervals, connected by aluminum segments. Cluster multiple together to create dramatic impact, perfect for applications that require tall drops such as foyers and stairways. Dimmable with a TRIAC, ELV or 0-10V dimmer.
