Moal Outdoor Wall Sconce

By LedsC4

Description

Set the mood and create a sculptural focal point outdoors with the Moal Outdoor Wall Sconce. This round wall light is made of durable concrete, and emits a halo of light against the surface. With the included standoff ring, the concrete disc can be installed at two different distances from the wall, allowing discs to overlap in installations of multiple fixtures. Use this light alone or in clusters to imbue your outdoor space with ambience and artistry. Dimmable with a TRIAC or 0-10V dimmer.
