Voiles Pendant

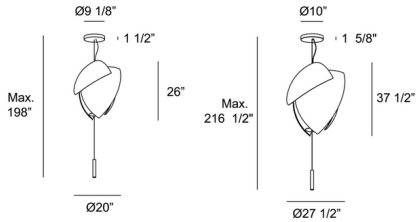

By LedsC4

Description

The Voiles Pendant pushes the boundaries of contemporary design with a sculptural aesthetic far removed from conventional materials and shapes. Its asymmetric form offers varying views from different angles, while its Japanese washi paper construction lends it a sense of lightness and graceful movement. This distinctive piece elevates any space, whether suspended over a dining table or installed in multiples over a larger area. Dimmable with a TRIAC, ELV, or 0-10V dimmer.
