Ming Portable LED Planter

By Qeeboo

Description

The Ming Portable LED Planter is inspired by the traditional porcelain vase, an ancient symbol of Eastern culture, with its gently curved silhouette decorated with depictions of dragons, animals, and flowers. Find a home for your favorite jade plant and add a playful touch to your decor.Ming is crafted from translucent white polyethylene and houses an integrated LED light source with a rechargeable battery to provide illumination in addition to its use as a planter or champagne cooler. A remote control is included to adjust the brightness and select from white or 15 different colors of light. Includes USB charging cord (US wall plug is required, but not included).
