Cirio Simple Pendant By Santa & Cole

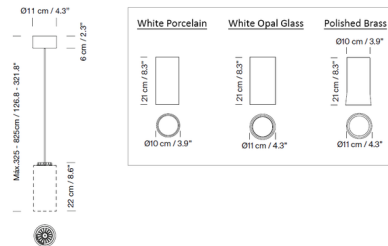

Description

The Cirio Simple Pendant is an elegant piece that can be used alone to highlight a corner of a room or in multiples to make a dramatic statement across a larger space. The shade is available in widely varying styles to suit your design scheme -- porcelain of Sargadelos (Galicia, Spain) which evokes the inviting glow of candles, translucent white opal glass for subtle purity, or opaque brass for sophisticated appeal. Includes cover plate for mounting to US junction box (now shown in images). The finish selection (Black or White) corresponds to canopy color, and the cord is available in 118.1 inch and 315 inch lengths.

Shown in black / white opal
