## Cirio Circular Pendant By Santa & Cole

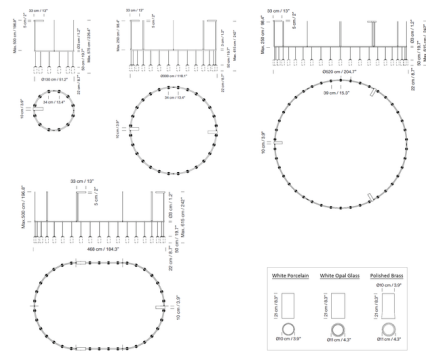

### Description

The Cirio Circular Pendant is a striking fixture that forms a ring of inviting illumination, making a dramatic statement in any space. For an even more stunning impact, multiple sizes can be suspended within each other to create a layered look. Varying shade options are available to suit different design settings -- porcelain of Sargadelos (Galicia, Spain) which evokes the inviting glow of candles, translucent white opal glass for subtle purity, or opaque brass for elegant appeal. The lights hang on black cords from a black aluminum frame. The 51.2, 118.1 and 204.7 inch width pendants are circular, and the 184.3 inch pendant is an oval. Note: The 118.1, 184.3 and 204.7 inch width pendants require a junction box rated for fixtures weighing over 50 pounds.

Shown in black / white porcelain
