Cirio Cascada Multi Light Pendant By Santa & Cole

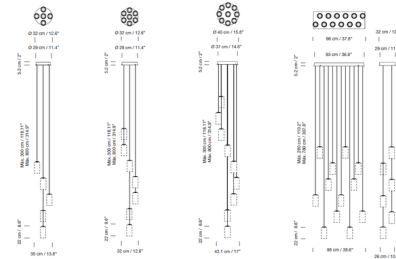

Description

The Cirio Cascada Multi Light Pendant is a radiant cascade of light that creates a warm atmosphere in large spaces, ideal for staircases and high ceilings. Choose from the varying shade options for different effects -- porcelain of Sargadelos (Galicia, Spain) which evokes the inviting glow of candles, translucent white opal glass for subtle purity, or opaque brass for elegant appeal. The lights hang on black cords from a black metal canopy. Hanging height is adjustable and the cords are available in 118.1 or 315 inch lengths.
