Crofton Rectangular Lighted Vanity Mirror By Uttermost

Description

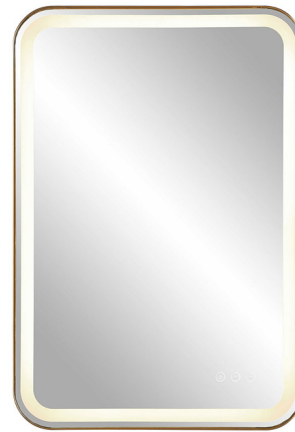

Versatile in design, the Crofton Lighted Vanity Mirror has integrated LED lighting that illuminates through the frosted strip in the polished edged mirror. The steel frame is off set from the wall to allow ambient lighting from the back. Easy to use touch buttons are featured on the bottom right of the mirror with an on off function, touch and hold color temperature from 2700K to 4000K, and touch and hold brightness control. Touch screen icons continue to illuminate when powered off for easy navigation in dark settings. Note: Ships with plug, but can be hardwired professionally.
