Kalani Chandelier

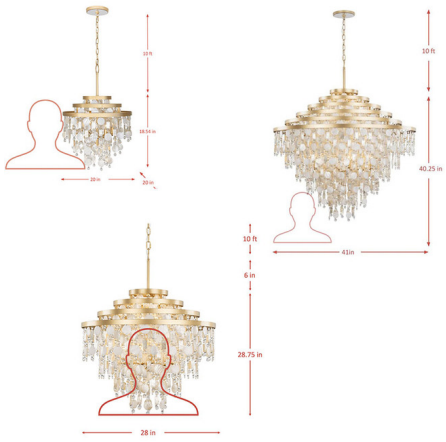

By Varaluz

Description

The word Kalani is the Hawaiian word for of the heavens or sky. To some, it also has noble connotations meaning royal one. What makes the Kalani Chandelier most striking is that we work in sustainable Capiz and upcycled Kabebe shells (reclaimed after food harvesting) with lead-free crystal to create a warm and inviting take on a glam fixture from days gone by, now reimagined for the modern day.
