Aenon 2-Light Wall Sconce By Golden Lighting

Description

Aenon's universal style positions the series as a contemporary design perfect for transitional to modern homes. The striking Hammered Water Glass draws the eye and quickly becomes a topic of conversation and admiration. Strong masculine steel arms cradle Aenon's unique glass panels, suspending them mid-air. When lit, the Hammered Water Glass contrasts the contemporary finish and reflects the bright light. Choose between multiple fixture types and finish options.
