Daphne Bathroom Vanity Light

By Golden Lighting

DAMP

Description

Traditional elegance with a modern edge, Daphne's stately details give the fixture a classic regal appearance. Beautiful, vintage-inspired bell-shaped clear glass shades allow for widespread illumination. Heat venting cut-outs in the tiered cups add industrial undertones to the design. Great for bathrooms or powder rooms with traditional to transitional decors, this damp-rated fixture may be mounted over a vanity or mirror.

Shown in brushed champagne brass / clear
