Seabrooke Outdoor Wall Sconce

By Golden Lighting

Description

With an attractive transitional look, Seabrooke fits seamlessly in with natural, indoor or outdoor settings. Capable of complementing a variety of spaces, this versatile design is also thoughtful. A revolutionary plastic-composite shade and interior clear glass diffuser allows for durability against the elements. Designed to mimic natural fibers, the shade is painted a warm Summer Sands color. The clear glass shade prevents water from gaining access to the inner light source. The textured Natural Black finish is protected by an extra UV-coated layer to prevent fading. This indoor/outdoor sconce is perfect for porches, outdoor kitchens, and patios.

Shown in black / summer sands
