Kieran Ceiling Light

DAMP

Description

Enhance your space with Kieran. Artsy in nature, this collection of flush mounts with ceiling medallions is playful yet functional. Thin metal pieces in varying lengths form a sunburst pattern that creates a halo effect around the fixture. Damp-rated, this elegant series sits close-to-ceiling and is perfect for dressing up a closet, hall, bedroom, or breezeway. Opal glass shades diffuse the bright LED panels. The fixtures are available in multiple sophisticated finishes. This flush mount provides wide-spread ambient lighting and is a perfect fit in your home.
