Pina Pro Portable Table Lamp By Zafferano America

Description

The Pina Pro Table Lamp's slim profile adds a unique, functional touch to smaller spaces in the home. A die-cast aluminum body gradually angles upward, thinning until it reaches the sharply-angled polycarbonate shade. An integrated LED rests in the shade and delivers a shining light with a dimming touch control and has 3 color temperature selections: 2200K (Candlelight), 2700K (Warm White), and 3000K (Cool White). The Pina Pro Portable Lamp includes an induction charging base, allowing it to be a lightweight, portable solution to lighting. Suitable for indoor or outdoor (IP54 rated) use. 9-hour battery use with a 6-hour charging time.
