

BRAND Craftmade

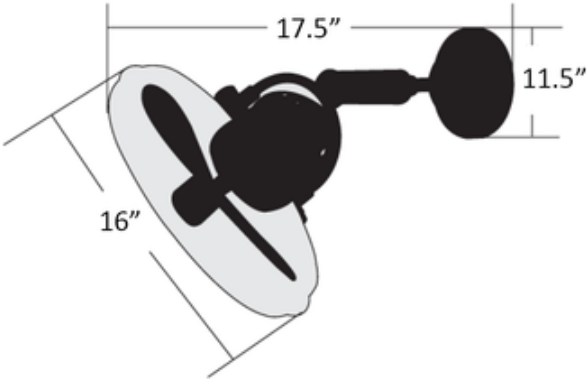

DESCRIPTION

Inspired by a bygone era, the Bellows IV Indoor/Outdoor Wall Fan channels the industrial age in its design. The vintage feel of this high-powered, wall-mounted fan offers a bold contrast to the latest trends in home decor. Its heavy-duty 3-speed oscillating motor delivers ample airflow to refresh your indoor or covered outdoor space. The included wall control can turn the fan on/off, set three speeds and turn oscillation on/off.
