Discovery Floor Lamp By Artemide

Description

Experience the enchantment of light with the Discovery Floor Lamp by Artemide, another groundbreaking creation by Ernesto Gismondi. Like its pendant counterpart, this floor lamp masters the art of illusion, presenting itself as an almost immaterial outline until its inner radiance is unleashed. It transforms an empty space into a captivating light source that's both functional and artistic. A remarkably slender rectangular aluminum frame encases an LED strip that injects light into a specially treated PMMA surface. This surface, infused with microscopic particles, remains nearly invisible when the lamp is off. Yet, with a flick of a switch, the transparent interior springs to life, appearing to magically fill with a perfectly uniform and diffused glow, providing comfortable, glare-free ambient light. The Discovery Floor Lamp offers supreme versatility with a convenient dimmer and color temperature switch located on the cord. For even greater control, utilize the Artemide mobile app to adjust brightness and explore an array of color settings. Choose between Tunable White (2700K to 6500K) for adjustable warm to cool illumination, or the vibrant RGBW (3000K) option for a full spectrum of color, making this sleek and unobtrusive design a perfect complement to Contemporary and Minimalist design schemes.

Specifications

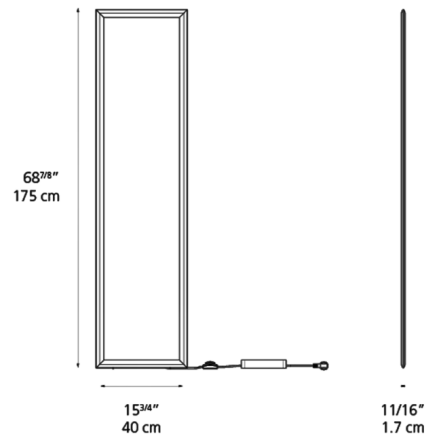

COLOR	Transparent
BODY FINISH	Black
WATTAGE	61W
DIMMER	Included
DIMENSIONS	15.74"W x 61.81"H x 0.69"D
INTEGRATED LED MODULE	1 x LED/61W/120V LED
COUNTRY OF ORIGIN	Italy

Technical Information

LAMP LIFE	50000 hours
COLOR RENDERING	80 CRI
LAMP COLOR	2700K-6500K Tunable White
LUMENS/WATT	62.39
LUMINOUS FLUX	3806 lumens

Shown in black / transparent
